The Annual General Meeting of the shareholders of JB Hi-Fi Limited (“Company”) will be held virtually on **Thursday 28 October 2021 at 10.30 am (AEDT)**.

Holding a Virtual General Meeting

As part of the Australian Government’s response to Covid-19, temporary modifications have been made to the Corporations Act which allow companies to hold fully virtual annual general meetings. To protect the health and safety of our shareholders and staff, the Company will hold a fully virtual Meeting, which means there will not be a physical venue for shareholders to attend.

To allow shareholders to participate in the Meeting, shareholders can attend virtually using the Lumi online platform. Shareholders will be able to listen to the proceedings, view the presentations, ask questions of the Board, and vote in real-time using their computer, mobile phone or other device.

If you are planning to attend the Meeting online, you are still encouraged to cast proxy votes and lodge questions prior to the Meeting at www.investorvote.com.au.

Further detail about the process for the Meeting is set out in this Notice.

Postponement/Adjournment/Future alternative arrangements

Technical difficulties may arise during the course of the Meeting. The Chairman has discretion as to whether, and how, the Meeting should proceed in the event that this happens. In exercising his discretion, the Chairman will have regard to the number of shareholders impacted and the extent to which participation in the business of the Meeting is affected.

Where he considers it appropriate, the Chairman may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to lodge a proxy by 10.30 am (AEDT) on Tuesday 26 October 2021, even if they plan to attend online.

The Chairman intends to vote all available proxies in favour of Items 3 and 4(a) and 4(b).

The term ‘closely related party’ is defined in the Corporations Act 2001 and “associate” has the meaning given in the ASX Listing Rules. Both terms include a spouse, dependants and certain other close family members, as well as any companies controlled by the KMP.

Appointing a Proxy

If you are a shareholder entitled to vote, you may appoint a proxy. Instructions on how to appoint a proxy are on the online voting website www.investorvote.com.au.

A proxy need not be a shareholder of the Company. Shareholders are encouraged to notify your appointed proxy of their appointment to enable them to participate in the Meeting online and to exercise your voting instructions. Appointed proxies will need to contact Computershare Investor Services to obtain a username and password to vote online. Further details are available in the Online Meeting Guide available at <https://investors.jbhifi.com.au/annualgeneralmeetings/>. Due to Covid-19 we suggest that you appoint the Chairman of the Meeting as your proxy.

If you do not specify a proxy in your completed proxy vote or if the person you appoint as proxy does not participate in the AGM, the Chairman of the Meeting will be taken to be your proxy by default. In accordance with the Corporations Act 2001, any directed proxies that are not voted as directed on a poll at the Meeting will automatically default to the Chairman, who is required to vote proxies as directed.

If you are a shareholder entitled to cast two or more votes, you may appoint two proxies and specify the number or proportion of votes that each may exercise, failing which each may exercise half of the votes.

Directed and Undirected Proxies

You are encouraged to appoint the Chairman of the Meeting as your proxy and to actively direct your proxy how to vote on each item of business by marking the appropriate boxes on the Proxy Form.

In view of the Voting Exclusions set out above, if you intend to appoint a member of the KMP as your proxy, please ensure that you direct them how to vote on Items 3 and 4(a) and 4(b).

If you appoint the Chairman of the Meeting as your proxy, or the Chairman becomes your proxy by default, and you direct the Chairman how to vote on an item of business, the Chairman must vote in accordance with your direction.

If you appoint the Chairman of the Meeting as your proxy or he becomes your proxy by default, and you do not provide any voting directions on your proxy vote, by validly submitting your proxy you will be expressly authorising the Chairman to cast your vote on Items 3 and 4(a) and 4(b) as he sees fit. This applies even though these resolutions are connected with the remuneration of the Company’s KMP.

The Chairman of the Meeting intends to vote all available proxies in favour of all resolutions.

2. Election and Re-election of Directors

Background and Further Information

Under Listing Rule 14.5 the Company must hold an election of Directors at each Annual General Meeting.

Stephen Goddard and Richard Uechtritz retire by rotation in accordance with the Company's Constitution and Listing Rule 14.4 and offer themselves for re-election as Directors.

Geoff Roberts was appointed as a Director by the Board with effect from 16 January 2021. In accordance with the Company's Constitution and Listing Rule 14.4, Mr Roberts holds office until the conclusion of the Annual General Meeting unless elected at the Meeting. Mr Roberts therefore offers himself for election as a Director.

Nick Wells was appointed as an Executive Director by the Board with effect from 27 August 2021. In accordance with the Company's Constitution and Listing Rule 14.4, Mr Wells holds office until the conclusion of the Annual General Meeting unless elected at the Meeting. Mr Wells therefore offers himself for election as a Director.

A profile of each candidate seeking election or re-election as a Director, and any other information that the Company believes to be relevant to the decision on whether or not to elect or re-elect such person, is set out below.

- (a) **Mr Stephen Goddard**
Non-Executive Director
MSc. BSc (Hons)

Stephen was appointed to the Board in August 2016 and became Chairman on 1 July 2020. Stephen is also Chair of the Company's Remuneration and Nominations Committee and was a member of the Audit and Risk Management Committee until 30 June 2020. Stephen has more than 30 years' retail experience having held senior executive positions with some of Australia's best known retailers. These include Finance Director and Operations Director for David Jones, founding Managing Director of Officeworks, and various senior management roles with Myer. Stephen is currently a non-executive director and Chair of the Audit and Risk Management Committees of GWA Group Limited, Accent Group Limited and Nick Scali Limited.

The Board considers Stephen to be an independent director.

- (b) **Mr Richard Uechtritz**
Non-Executive Director

Richard has over 30 years' experience in retailing. He was co-founder of Australia's two leading photo chains, Rabbit Photo and Smiths Kodak Express, and was a director of Kodak (Australasia) Pty Ltd. Richard led the management buy-in of JB Hi-Fi in July 2000 and was CEO and Managing Director until his resignation from these positions in May 2010. Richard re-joined the Board in April 2011 as a non-executive director. He is also a non-executive director of Seven Group Holdings Limited.

The Board considers Richard to be an independent director.

- (c) Mr Geoff Roberts
Non-Executive Director
Exec. MBA, B.Comm, FCA, FAICD

Geoff was appointed to the Board in January 2021. He recently retired as Group Chief Financial Officer of Seek Limited, having joined them in 2015. He has over 35 years' finance experience, including as Group CFO of AXA Asia Pacific Holdings Limited for seven years. Geoff is a Committee (Board) member and Chair of the Finance and Audit Committee of the Melbourne Cricket Club Committee, and was formerly a Director and Chair of the Audit Committee of AMP Limited.

During the period that Geoff was a partner, Deloitte were the appointed auditors of the Group, however at no stage during the term of his partnership was Geoff involved in the provision of audit or other services to the Group.

Prior to his appointment, the Company conducted appropriate checks into Geoff's background and experience and those checks revealed no information of concern.

The Board considers Geoff to be an independent director.

- (d) Mr Nick Wells
Executive Director
B.Comm, CA

Nick was appointed to the Board as an Executive Director on 27 August 2021 at the same time as new Group CEO Terry Smart joined the Board following the departure of previous Group CEO, Richard Murray. Nick has been Chief Financial Officer of the Group since 2014, having joined the Group in 2009. Prior to joining JB Hi-Fi, Nick was a Manager at Deloitte where he provided Audit and Assurance services to a broad range of companies, including a number of Australian retail businesses.

Nick is not considered to be an independent director by the Board.

Board Recommendation

Having considered the skills, experience, knowledge and (except in the case of Nick Wells) the independence of each candidate, the Board recommends (with each Director abstaining in respect of their own re-election) that shareholders vote in favour of each of these resolutions. The Chairman will vote all undirected proxies in favour of these resolutions.

In the event that a resolution for the election or re-election of a Director is not passed, that Director will cease to hold office at the end of the Annual General Meeting.

Item 3: Remuneration Report

Background and Further Information

The Directors' Report for the year ended 30 June 2021 (which is contained in the Company's Annual Report) contains a Remuneration Report, which sets out the policy for the remuneration of key management personnel (being the Chairman, the other Non-Executive Directors, the two Executive Directors and the 2 other senior executives classed as KMP in the Company's Remuneration Report).

The Corporations Act requires that a resolution be put to a vote that the Remuneration Report be adopted. The vote is advisory only and does not bind the Company or its Directors. However, when considering the future remuneration arrangements of the Company, the Remuneration and Nominations Committee and the Board will take into account feedback from shareholders in relation to the Company's remuneration strategy, including the discussion and vote on this resolution.

As a result of provisions in the Corporations Act known generally as the "two strikes rule", shareholders should note that the result of the vote on this Item may affect next year's Annual General Meeting. If 25% or more of the votes cast are "against" the adoption of the Remuneration Report at the 2021 and 2022 Annual General Meetings, the Corporations Act requires a resolution whether to spill the Board to be put to the 2022 AGM. The Directors

therefore encourage shareholders to apply the same level of diligence as for the other resolutions being considered at the Meeting in casting their vote on this Item 3.

A Voting Exclusion Statement applies to this resolution as set out in the Information for Shareholders section of this Notice of AGM.

Remuneration overview

The Board recognises that the performance of the Group depends on the quality and motivation of its people, including both the Executive KMP and the approximately 13,200 employees of the Group across Australia and New Zealand. The Company's remuneration strategy seeks to appropriately reward, incentivise and retain key employees. The Board aims to achieve this by setting competitive remuneration packages ("packages") that include a mix of fixed remuneration and incentives under the Company's Variable Reward Plan ("VRP").

Another year of financial and strategic achievement

The 2021 financial year was an outstanding year for the Group, with management having delivered record revenue (up 12.6%), EBIT (up 53.8%) and EPS (up 67.5%). Sales momentum was strong throughout the year, with continued heightened consumer demand for consumer electronics and home appliance products. Gross margins were well managed with strong improvements in gross margins in all businesses. This gross margin improvement, combined with disciplined cost control and strong sales growth, drove significant operating leverage.

In addition to driving these exceptional financial outcomes, management also executed strongly on a number of key strategic initiatives aimed at further developing and reinforcing the Group over the longer term. These included further enhancing and growing the Group's online channels, improving supply chain capability, successfully implementing sustainability initiatives and strengthening succession plans through internal talent development.

Executive KMP FY2021 Incentive Achievement

This very strong performance was reflected in vesting outcomes in respect of FY2021 VRP incentives, with Executive KMP earning between 97% and 98% of rewards available for FY2021. As the previous Group CEO, Richard Murray, resigned prior to the end of the financial year, the Board determined he was not eligible for the equity component of his FY2021 VRP reward (value of \$2,553,525).

The VRP scorecard for FY2021 provided that 75% of available rewards were linked to financial measures, primarily Group EPS growth, and 100% of available rewards for financial performance were earned by each Executive KMP. The remaining 25% of available rewards were dependent upon the achievement of various strategic measures deemed relevant for the individual executive and between 88% and 92% of available rewards for this strategic component were earned by Executive KMP.

As with recent years, 25% of VRP rewards achieved in relation to FY2021 were paid in cash and the remaining 75% of the VRP rewards achieved in relation to FY2021 were delivered in deferred shares. One third of these shares will be released from dealing restrictions in each of August 2022, August 2023 and August 2024, such that the vast majority of VRP rewards will therefore be subject to share price performance and align Executive KMP with the experience of shareholders over the medium to longer term.

Management succession and transition

Management outperformed once again in FY2021 and remain motivated to continue to drive shareholder value in FY2022. In April and May 2021, announcements were made regarding the transition of several Executive KMP roles in FY2022, each of which has been filled via promotion of internal talent, demonstrating the quality and depth of the Group's current and upcoming management team talent.

- Terry Smart (previously Managing Director – The Good Guys) took over as Group CEO from Richard Murray during August 2021. Terry is a natural successor to the role, having previously led the Group as CEO between 2010 and 2014 and re-joined the Group in 2017 following the acquisition of The Good Guys.
- Both Terry and Nick Wells (Group CFO) joined the Board as Executive Directors during August 2021.
- Terry's role as Managing Director – The Good Guys has been taken up by Biag Capasso (formerly Merchandise Director – The Good Guys). Biag has been with The Good Guys since 2011 and played a key role in its integration into the JB Hi-Fi Group.

FY2021 remuneration packages – Executive KMP

To remain competitive in attracting and retaining key talent in FY2021 the Board considered the remuneration levels for Executive KMP with reference to external market benchmarks as well as the skills, experience, complexity and responsibilities of the Executive KMP roles. The Board also noted that, with the exception of the Group CFO, fixed remuneration and annual remuneration packages for these individuals had not been increased from FY2019 to FY2020.

The Board concluded that Executive KMP remuneration had fallen behind market peers and consequently, the Board increased fixed remuneration for FY2021 (by 2% in most cases) and VRP opportunities available (by 7% to 10% in most cases) for all Executive KMP.

In the case of Richard Murray, the previous Group CEO, in FY2021 the Board approved an increase to fixed remuneration of 11% and VRP opportunity of 26% following the statements in the Company's FY2020 Remuneration Report that his package was modest when compared to peers, but would not be increased in FY2020 given the uncertain market conditions at that time. As noted above, Richard subsequently resigned and left the Group during August 2021 and as a result did not receive any equity component of his FY2021 VRP reward.

Non-Executive Directors - FY2021 remuneration

Fees for non-executive directors remained at the levels set for FY2018, FY2019 and FY2020, with no increases.

Board Recommendation

The Board recommends that shareholders vote in favour of this non-binding resolution. The Chairman will vote all undirected proxies in favour of this resolution.

Item 4: Approval of allocation of Restricted Shares to Executive Directors

Background and Further Information

The Board believes that a significant portion of Executive remuneration should be linked to sustained growth in long term shareholder wealth. In that regard, the Company operates a Variable Reward Plan ("VRP") as part of its long term remuneration strategy.

While shareholder approval of the allocation of restricted shares to the Executive Directors pursuant to the VRP is not required under the Listing Rules as the Company will continue its practice of acquiring shares on market to satisfy this allocation, the Company continues to seek shareholder approval as a matter of good governance.

Accordingly, shareholder approval is sought for:

- (a) the allocation to the Executive Director, Mr Terry Smart, of 26,775 ordinary shares earned by Mr Smart under the Variable Reward Plan during FY2021, the terms and conditions attaching to which are summarised in the Table set out in Appendix 1; and
- (b) the allocation to the Executive Director, Mr Nick Wells, of 20,131 ordinary shares earned by Mr Wells under the Variable Reward Plan during FY2021, the terms and conditions attaching to which are summarised in the Table set out in Appendix 2.

If allocated, details of these shares will be published in the Company's 2022 Annual Report. If shareholders do not approve the allocation, issues may arise with the competitiveness of the total remuneration packages of Mr Smart and Mr Wells and alignment of rewards with other senior executives in the Group. The Board would then need to consider alternative remuneration arrangements for Mr Smart and Mr Wells which are consistent with the Company's remuneration principles, including providing a cash amount to each up to the value of the incentive component of his total FY2021 remuneration package in lieu of the allocation of the restricted shares.

A Voting Exclusion Statement applies to this resolution as set out in the Information for Shareholders section of this Notice of AGM.

Board Recommendation

The Board (with Mr Smart and Mr Wells abstaining) recommends that shareholders vote in favour of these resolutions. The Chairman will vote all undirected proxies in favour of these resolutions.
